Subject: RED/GREEN version of the Case List
Attachments: RED-GREEN Version Consolidated Response - Non CERCLA - (6-30-17) (Enforcement Confidential - Do Not Distribute) R6 Only.docx; CLEAN Consolidated Response - Non CERCLA - (6-30-17) (Enforcement Confidential - Do Not Distribute).docx

This is an FYI. Attached is the most recent Red/Green version of the case list (sent to me today). It shows the current status for moving forward on cases. RED means you cannot proceed past the point of no return, HQs will let us know when then need a briefing. Green means you can proceed.

I have updated the version on the 6EN SharePoint site with these latest designations. Also, HQs dropped tracking cases that are now complete.

The next update of the Longer List will be due COB, Tuesday, July 18th. This file is located on the Division SharePoint site. Changes/Updates can be made on the SharePoint document. I'll send another reminder closer to the date. In Sections 7 & 8, if an item has been completed, delete it. It will show up in Track Changes as a strikeout. Thanks!

Also attached is the full National list, so you can see the national cases, and those led by HQs.

ATTACHMENTS:

- 1) RED-GREEN Version – R6 ONLY
- 2) CLEAN Consolidated Version – Complete National List with RED/GREEN designations
